First-Aid Specifics of Homoeopathic and Biochemic Treatment

2. MIND, BRAIN AND NERVOUS SYSTEM

1. **Absent Mindedness**
On awakening does not know what to answer and where he is as if intoxicated. Give *Nux Moschata* first to sixth any potency. Can be repeated 2-3 times a day till results appear. Then stop.
2. **Alcoholism:** Specific remedy for alcoholism is *Sulphuric Acid*. In order to overcome craving for alcoholic drinks make a mixture of *Sulphuric Acid* one part and three parts of alcohol. Give 10 to 15 drops three times a day for one month. After that *Sulphur* 30 one dose early in the morning for a fortnight. If not these, then *Avena Sativa* tincture 10 to 20 drops preferably in water hot for some days. It will help even in sleeplessness of alcoholics.
3. **Anger:** *Nux Vomica* 30. Give in the evening one dose till it shows results.
4. **Apoplexy Threatened** (Paralysis from rupture of a brain vessel; *Lithium Bromatum*.30 or *Laurocerasus*, mother tincture. Dr. Jahr says : If no other remedy is indicated start treatment with *Ignatia* 200. It can be repeated.

6. NOSE

- 44. Adenoids** (It is a glandular growth in the nose; Dr. J.T. Kent cured more than a hundred cases with *Tuberculinum bovinum* alone so that the child could breath through the nose and close the mouth. This drug is also called *Bacillinum*. Start treatment with 200 potency which should not be repeated before a fortnight or so.

"Besides the *Tuberculinum* comes the great triad, Sulphur, *Calcarea* and *Lycopodium*, with *Calcarea* in the foreground. According to Homoeopathic literature, *Calcarea phos* is the favourite because of its unfailing action. Next comes *Iodium*, mostly in combination with *Calcarea Iodide*, *Baryta Iodide* and *Mercurius iodatus Jlavus*."

, Dr. Cooper regards *Calcarea Phos* almost specific. Start with 6x or 12x. After some days, say 6 or 10, switch over to Homoeopathic 30, two doses a day, for a fortnight then watch the result.

- 45. Cold:** Boericke says that *Natrum Mur* is infallible for stopping a cold commencing with sneering. Use 30th potency. For ordinary cold due to severe snowfall etc. *Aconite* 30 will be useful. Give *Camphor*, mother tincture, a few drops as soon as first chilly sensation is felt. *Aconite* 30 is to be thought also at early cold, particularly after exposure to cold winds.
- 46. Coryza (UJJIH) :** Boericke says that *Natrum Mur* is very useful in violent, fluent coryza lasting from one to three days, then changing into stoppage of nose, making breathing difficult. Then discharge thin and wateiyvlike raw white of an egg. Violent sneezing coryza. It is infallible for stopping a cold commencing with sneezing. Use thirtieth potency. *Nux Vomica* 6 is also useful in stoppage of the nose. If the colour oflhe discharge turns

yellow then resort to Pulsatilla 30. For a thready discharge, Kali *bichrome*. If only thin, watery, like white of an egg, then Kali *Mur* 30.

—Chronic coryza : Where there is profuse, watery, acrid, coryza associated with pain in frontal sinus, stuffiness and dryness of nose without discharge prescribe Kali *iodide* 3, 6 or 12 potency.

47. Epistaxis, Mother tincture or 3 Dr.
Cooper recommends Ferrumphos 1st potency which never disappoints.
48. Nasal, polypus (Polypus is a stem-like tumor in the nose, ear or rectum: Teucrium Morum 1 to 6 potency is useful in such catarrhal conditions of both anterior and posterior nostrils. This polypus is the cause of chronic catarrh, discharge of large and irregular clinkers. Coryza with stoppage of nostrils. For local use of the treatment of polypus dry powder of Teucrium can be used.
Lemon Minor 3 also is a catarrhal remedy. It acts specially upon nostrils, nasal polypi. Asthma from nasal obstruction. This remedy is favourite of Dr. Robert Cooper when the nose is never clear and contains polypi.
49. Nose Bleed: Boericke recommends Notrum Nitricum, second trituration, (2x). This remedy is useful in hemorrhages from mucous membranes, particularly nasal.
50. Ozena (A fetid nasal ulceration and discharge: Boericke recommends Cadmium Sulph.
Tightness at the root. Nose obstructed. Caries of nasal bones. Nostrils ulcerated. Use 3 or 30th potencies. Clarke mentions this remedy in his *Dictionary* thus : "No remedy has served me better in Ozena and Polypus".
51. Sinusitis (Sinus is a vavity, a hollow or a pocket; "JRJ?) : Generally patients complain of sinus frontal which causes pain connected with nose. For chronic nasal catarrh with ulceration of the septum, nose obstructed and dull, heavy pain in the forehead, Fluoric acid 6 to 30 will cure. If

7-48

not, give *Silicea* 200 every fortnight and no medicine two days before and after. During the interval give *Kali bichrome* 30, four times daily every 4 hours.

—**Chronic sinusitis** : *Medorrhinum* - This gonorrhoeal Nosode is useful in chronic sinusitis. There is discomfort in posterior nares, (See No. 39, 40, 51).

12. HEART

89. Ailments **of the Heart** : If there is any remedy especially deserving our confidence in heart affections resulting from rheumatism and also from obscure origin, it is *ScuteUaria*. Use the tincture and lower potencies. This is a nervous sedative. Useful in Cardiac irritability.
90. **Angina Pectoris** (Severe pain in the heart: Dr. William Bever and Dr. Boericke. advise that patients who have suffered from Angina should always keep *Lactrodectus* 12x at hand as a preventive to the disease. Boericke says that *Tabacum* 30 or higher should prove the most Homoeopathic drug for Angina Pectoris. Dr. Boger says that this is the most indicated drug in angina pectoris. Barker in his '*Miracles of Healing*' advises *Cactus* 3x or mother tincture a few drops in water.
91. Arterio-Sclerosis: Boericke advises *Aurum metallicum*. 30, or *Strontia carb* 30. It is said by Boericke that *Cratagus* mother tincture has a solvent power upon crustaceous and calcareous deposits in arteries. Hence it reduces blood pressure. It also acts on the muscle of the heart and is a heart tonic.
92. **Blood Pressure**: When the arteries get hardened, it causes blood pressure. It is either high or low or normal:
- **High** : *Aurum Mur Natronatum* 2x or 3x (Boericke).
- **High** : Boger recommends *Zincum iodide*, 6.
- **High** : According to Dr. Blackwood in high blood pressure *Baryta Mur* 6x will give relief, but this does not apply where B.P. is due to diseased kidneys or calcareous blood vessels. If B.P. is due to kidneys, then Picric acid

6 is recommended. As stated earlier, *Cratagus* reduces blood pressure.

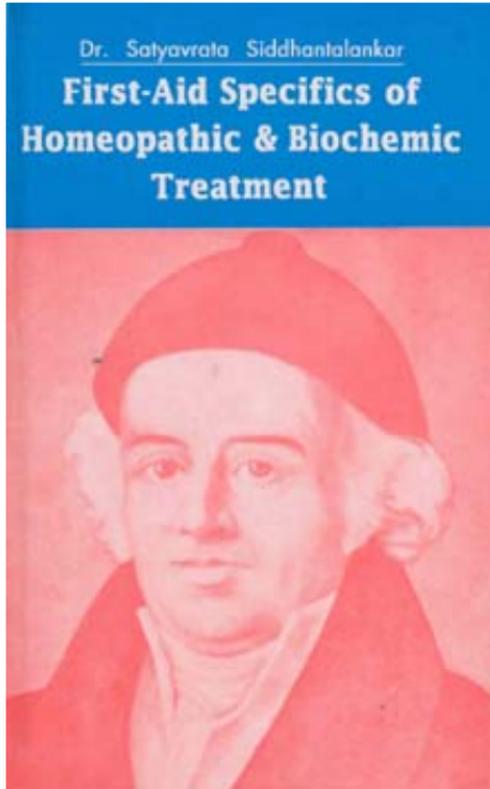

—Low : There doses of *Carnphora* 1x at 15 minutes interval. Boericke says : As a heart stimulent, emergency use of Camphor is a most satisfactory remedy. Drop-dose as often as every 5 minutes. Even Amrttdhora may be used.

Dr. D.E. Mistry of Sholapur reports that ia was an agreeable surprise to him to see Corbo *Veg*, raise the blood pressure in ALL cases where he used it even from as low a B.P. as 40 systolic and brought it to 90-100 systolic. Warmth returned to previously cold extremities.

Boericke says that *Veratrum Virtde* induces fall of both systolic and diastolic blood pressure. First to Sixth potency.

93. **Fatty Dageration of the Heart Muscle :** *Strjchniuum Phosphoricum* 3 or 30 potency. This drug acts through the cerebro-spinal system upon muscles, in their stiffness, weakness and loss of power. Dr. Royal recommends it in the beginning of the fatty degeneration of the heart muscle.
94. **Failure of the Heart:**
Camphor in drop-doses every 5 to 10 minutes is the best stimulant in emergency, can also use Amtifdhara.
95. **Heart Tonic:** *Cratagus* mother tincture.
It is said to have solvent power upon crustaceous and calcareous deposits in the arteries. Must be used for some time in order to obtain good results. One to fifteen drops. (For tonic See Nos. 5, 119, 295).
96. **Palpitation:** *Aconite* 30: if due to indigestion or flatulence use *Nux Vbrrrica* 30: if due to nervousness, then *Ignaiia* 30: if hysterical palpitation, then *Moschus* 1 or 3 potency.
97. **Phlebitis** (Swelling of veins or Varicose veins:
Hamomalis, tincture or 6x: or *CalcureaJluor* 6x or *Vipera* 12th potency.

98. **Senile :** *Aurum Mw* 2x or 3x in alteration with *Strychninwn nitrate* 2x or 3x.
99. **Sub-Normal Temperature :** *Heloderma* 30.^x
100. **Tachycardia** (Abnormal rapidity of heart- action: *Iberis*.
mother tincture. There is no better remedy than this.
